PLATINUM APPEARANCE SERVICE PLAN *INCLUDES:*

DENTS AND DINGS

A minor dent or ding, whether from a crowded parking lot or an unexpected collision, can quickly diminish your car's appearance and value. Coverage includes dents up to 10 centimeters on accessible, exterior, vertical painted, factory panels. Using the paintless dent and ding removal method, the vehicle's original finish is restored without the need for sanding or repainting.

EXTERIOR SCRATCHES

Scratches ruining your car's aesthetic? With the Platinum Appearance Service Plan, we cover scratches up to 30 centimeters on accessible, exterior, vertical painted, factory sheet metal panels that don't penetrate the primer or sheet metal.

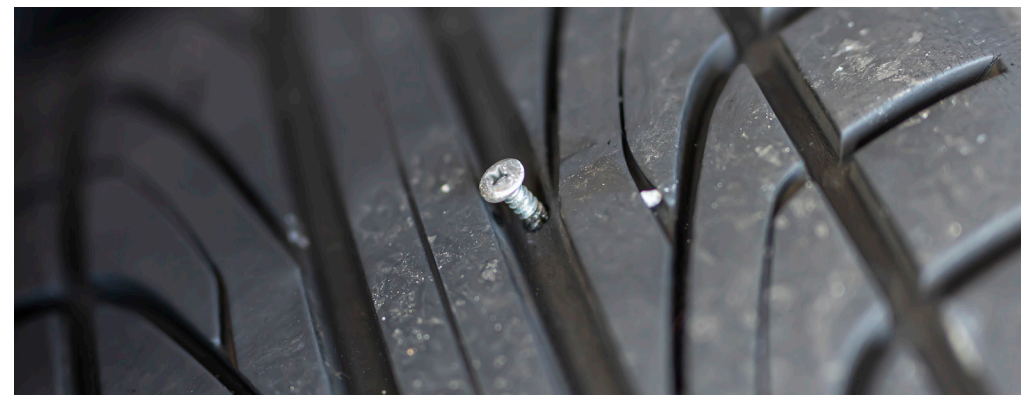

CUTS, TEARS, AND BURNS

Accidents can happen inside your vehicle too—whether from a misstep with keys or a hot cup of coffee. Coverage includes cuts, tears, and burns up to 5 centimeters in length that penetrates the original factory leather, cloth, or vinyl upholstery, restoring its elegance, comfort, and luxury feel.

CHIPS AND CRACKS

Chips or cracks in your windshield compromise both the safety and aesthetics of your vehicle. Coverage includes the repair of chips or cracks up to 10 centimeters, ensuring your vehicle remains in top condition while preserving its visual appeal and safety features.

TIRES AND RIMS

One nail in your tire or a scrape on your rim can quickly become a financial burden without the right protection. Platinum Appearance Service Plan covers tire repairs up to \$80 and rim repairs up to \$500 per occurrence, with up to 4 occurrences allowed.
