BENEFITS

Canada & United States Coverage

FCPP covers breakdowns occurring anywhere in Canada and the United States.

Direct Response

FCPP will efficiently handle your claim. For authorized services, repair costs are paid directly to the repair facility, saving you from out-of-pocket expenses and the inconvenience of waiting for reimbursement.

Reduced Deductible

The deductible will be reduced by \$50 when repairs are performed at your selling dealer.

Towing

In the event of a breakdown, we will reimburse you for receipted towing expenses up to \$100 per occurrence (including taxes). This reimbursement will be for charges in excess of any reimbursement from the manufacturer or any other towing service coverage you may have.

Trip Interruption

If a breakdown occurs more than 160km from your permanent residence and you have to leave your watercraft at a repair facility overnight, we will reimburse you for receipted lodging and meal expenses up to \$100 per day up to a maximum of \$400 per repair visit (including taxes). To qualify for trip interruption, your watercraft must be equipped with a minimum of one berth.

Lift/Haul Out

If your watercraft breaks down, we will reimburse all your receipted expenses up to \$100 per occurrence (including taxes) provided if it is necessary to remove your watercraft to perform repairs. This benefit only applies when repairs are covered under your plan.
